

Japan Day Experience

At a glance

This experience is packed with fun and cross-curricular activities designed to provide one of the most comprehensive Japanese cultural experiences for schools available today. Tea tasting, dressing up, workshops and object handling may all be included in a day of fun and discovery.

Curriculum links

Key Stage 1 and 2: Art and Design, English, Languages

Key Stage 3 and 4: Art and Design, English, Languages, Citizenship

Also adaptable to Early Years

You can combine the handling activity with a talk and a workshop. And you can also choose a combination of the following workshops and topics:

- Origami
- Samurai hats
- Japanese sunshine dolls
- Create your own Manga story board

You can complement this learning experience by borrowing our Japanese Arts Resource Boxes for FREE. You can enjoy these resources for two weeks. These boxes include a teachers' booklet with background information, object explanations, a scheme of work and activities. Book the resource box [HERE](#).
